

**Curriculum Vitae**  
Revised March, 2005

Name: Robert W. Oldendick

Office Address: Institute of Public Service and Policy Research  
University of South Carolina  
Columbia, South Carolina 29208  
Telephone: Office - 803-777-8157

Education

University of Cincinnati, Cincinnati, Ohio. Ph.D. in Political Science, August, 1977. Dissertation topic: "The Correlates and Behavioral Consequences of Attitudinal Consistency in the Mass Public."

University of Cincinnati, Cincinnati, Ohio. M.A. in Political Science, June, 1974.

University of Cincinnati, Cincinnati, Ohio. B.A. in Political Science, June, 1972.

Special Fields of Interest

Survey Research, Research Methods  
Public Opinion, Electoral Behavior  
Applied Statistics  
Political Psychology  
Public Policy Evaluation

Relevant Work Experience

University of South Carolina, Columbia, South Carolina; January, 2001 to present; Executive Director, Institute for Public Service and Policy Research. Responsible for the overall direction of the Institute, a public service research organization composed of seven Centers – Center for Environmental Policy, Center for Governmental Services, Center for Bioethics and Medical Humanities, Center for Citizenship, Leadership South Carolina, Survey Research Laboratory, and Southern Region Violence and Substance Abuse Prevention Center – with an annual budget of approximately \$5 million.

University of South Carolina, Columbia, South Carolina; August, 1989 to present; Research

Professor and Director, Survey Research Laboratory, Institute of Public Affairs. Responsible for directing the activities of the Survey Research Laboratory, including development of research programs, staff training, and securing external funding. As part of these duties, established and directed the South Carolina Omnibus Survey, a cost-shared, semi-annual survey of the South Carolina public, which has served as a vehicle to assist a number of state agencies and other organizations in collecting survey information.

University of Cincinnati, Cincinnati, Ohio; June, 1982 to August, 1989; Assistant Director for Research Services, Institute for Policy Research. Duties included supervising and coordinating research activities for the Institute's various Centers and Programs, including the Ohio Poll and the Greater Cincinnati Survey. Also sought funding for basic research projects, conducted program evaluations and applied research for contract clients, and provided consultation to the University community, as well as to other public or non-profit organizations.

University of Cincinnati, Cincinnati, Ohio; October, 1977 to June, 1982; Assistant Director and Research Associate, Behavioral Sciences Laboratory. Duties included the supervision of all phases of ongoing research as well as consultation with contract clients on data analysis procedures, particularly in the area of survey research and urban affairs.

University of Cincinnati, Cincinnati, Ohio; June, 1975 to September, 1977; research programmer/analyst, Behavioral Sciences Laboratory. Duties same as above.

University of Cincinnati, Cincinnati, Ohio; June, 1974 to June, 1975; data analyst, half-time, Behavioral Sciences Laboratory. Duties included consultation with contract clients to determine nature of research problem and appropriate design and analysis procedures.

University of Cincinnati, Cincinnati, Ohio; June, 1973 to June, 1974; graduate assistant, Behavioral Sciences Laboratory. Duties included consultation to academic community regarding research questions - i.e., methodology, data processing, and statistical interpretation. Assistance given on OSIRIS, SPSS, BMD statistical packages and IBM utility programs.

Cincinnati, Ohio; Alcohol Safety Action Project; Field Supervisor, Roadside Survey; 1974.

## Teaching Experience

University of South Carolina, Columbia, South Carolina; July, 2001 - present; Professor, Department of Government and International Studies (joint appointment with Institute of Public Service and Policy Research). Courses taught: Survey Research; American National Government; Public Data Analysis; The Political Science Discipline. (Associate Professor from July, 1993 – June, 2000).

University of Cincinnati, Cincinnati, Ohio; January, 1981 - August, 1989; Adjunct Assistant Professor of Political Science; Courses taught: Introduction to Political Analysis; Public Opinion.

University of Cincinnati, Cincinnati, Ohio; April, 1974 - December, 1976; Behavioral Sciences Laboratory; Courses taught: Statistics for Political Science; SPSS; OSIRIS.

University of Cincinnati, Cincinnati, Ohio; January, 1974 to June, 1975; Teaching Assistant, Department of Political Science. Courses taught: Multivariate Statistics; Introduction to Political Analysis; Corruption and the Political Process; Public Opinion.
